

## Dear Parents and Friends

### Congratulations to Eleanor-Rose Hoareau-Mahutonga Arts Person of the Year

Congratulations to **Alexandra Farley**  
Newman Trophy for outstanding contribution to Arts & Culture

The Arts Awards on Thursday night celebrated the fine achievements of our Arts and Cultural students and it was an evening to make us all proud of the school we belong to.

I hope all senior students have got good feedback from their school exams and know what they will have to work on to get the success they deserve in their NCEA exams. Hard work from now until the end of November will mean you have a much more enjoyable summer break. Have a wonderful and safe holiday.

## Music

**Eleanor-Rose Hoareau-Mahutonga** had a once in a lifetime opportunity this week. She was one of a few very lucky students to be selected to attend a Q&A with **Mick Fleetwood** and **Bob Geldof**. Both musicians discussed the inner workings of the industry and Bob Geldof, true to his nature, made the extra effort to provoke the students' thoughts about the current state of streaming and to consider how ambitious they are willing (and will need) to be in order to revolutionise the system. Ella did us proud by making sure she pulled him aside for a conversation before he left. New Zealand artists **KINGS** and **Anna Coddington** also presented to the students with some very honest discussion about the NZ Music Industry.

We are very excited to announce that **Tineal Pasese**, **Danielle Dialogue** and **Eleanor-Rose Hoareau-Mahutonga** have been invited to audition for the World Championships of Performing Arts (WCOPA), which is an annual competition held in Los Angeles. We will update you as we find out more about this opportunity.

Our Head of Music, **Shannon Coulomb**, recently spent a morning workshopping with musicians from Kauri Park Primary School. The 10 piece band was very impressive and we are excited about our potential future students. Many are siblings of musicians we currently have in the school and opportunities like this to expand the Music Whanau are what the Performing Arts are all about. A special thank you to Amy Keating for organising this great opportunity.
